

① Downloaded · no account

Unreachable — no push token. Only the in-app paywall reaches them.

② Locked out · signed up, never subscribed

Engagement is silenced. **Win-back is the only sequence** — day 1 / 3 / 7, 6 PM local:

- Day 1 "Your free week is waiting 🕒" — start your 7-day free trial
- Day 3 "Your goals are ready 🏆"
- Day 7 "Last call 📞"

③ Trialing

- Activation "Start your first streak 🔥" (~day 1) · "You're building something 🏆" (~day 3) — week 1 only
- Trial-end "Your free week ends tomorrow ⌚" (~24h) · "Last chance — trial ending ⌚" (~2h) — **only if they cancelled auto-renew**
- Engagement daily 9 AM · streak 8 PM · goal Thu 8 AM · weekly Sun 10 AM · monthly 1st 10 AM
- Also streak milestones · goals complete · new-workout detected · friend & social · challenges

④ Paying subscriber

The **full engagement set** above — daily, streak, goal, weekly/monthly summaries, milestones, social, challenges. No activation, trial-end, or win-back (they self-exclude once a user has access).

⑤ Lapsed · trial or subscription expired

Engagement is silenced. **Win-back only**, clocked from the lapse date — day 1 / 3 / 7, 6 PM local:

- Has progress "We saved your spot 🏆" — resubscribe, leans on their streak & stats
 - Never engaged "Your plan is still here 🏆" — resubscribe, leans on their plan (no false "your stats" claim)
- Grandfathered users keep access for life → they never land here; they get the paying set.

Local-time schedule — streak 8 PM daily 9 AM goal Thu 8 AM weekly Sun 10 AM monthly 1st 10 AM activation 5 PM win-back 6 PM trial-end ~24h & ~2h before expiry

Always respected — per-type mute toggles · quiet hours · injury / vacation pause. **Every send & open is logged** for open-rate analysis.
